### Release of Information for Member of Friends of The Haven

Friends of the Haven is proud of the programs it provides. We promote and publicize these programs in order to educate the community, as well as to obtain necessary funding and donations. In addition, we encourage positive self-esteem in individuals by including his/her accomplishments in our promotions. I consent to the publication and other use of photographs, including using first name and last initial, while receiving support services from The Haven. This includes all printed media, not limited to newspapers, magazines and Friends of the Haven's printed brochures, invitations and advertising. This also includes online internet web displays such as Facebook, Twitter and the Friends of the Haven website, as well as future networking opportunities.
